

REMARKS

The title has been amended to conform to the translated specification. No new matter has been added.

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application, and to correct typographical errors and errors resulting from translation of the original application. No new matter has been added.

Claims 5 and 11 have been amended to correct typographical errors. Claims 13-15, 19 and 20 have been amended to correct improper multiple dependencies and reduce filing fees. Claim 16 has been amended to add the word "a". No new matter has been added. Support for these amendments can be found in the claims as originally filed. Claims 1-20 are pending. These amendments are made to correct typographical errors and to reduce filing fees, and not for any reason related to patentability.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Dated: May 23, 2006
